08 VITI LEVU: THE MAINLAND

18 THE ISLANDS

38 NORTHERN ISLANDS & CRUISING

Blissfully **laid-back** and often quoted as **'the way the world should be'**, the friendly Fijian Islands are **easily accessible** in just a few hours by direct flight from Melbourne, Sydney and Brisbane.

**We are Island Escapes. We opened in 2003 with just 3 of us, a wealth of travel experience and a knowledge and passion for the destinations that truly inspire us – Fiji, Thailand, Vanuatu & Samoa.**

We have never strived to be the biggest travel company in Australia, but we are absolutely committed to being the best. By staying boutique, we have been able to focus on quality rather than quantity and to providing our valued clients with a level of service and product knowledge that is fast disappearing in this era of 'quick' information.

11 years later and with over 15 staff, we firmly believe that you can learn more from a ten minute conversation with someone who has actually been to a resort, than in 2 hours of trawling the internet trying to extract the truth from the white noise. It's an old fashioned concept but according to the 1000's of people we send on holidays each year, it is a successful one. We work closely with some of Australia's best and most well informed travel agents, ensuring our clients receive the best possible personalised service.

This resort guide showcases some of our favourite Fiji hotels and resorts and we hope that it, together with our vast travel experience, enriches your next holiday. We look forward to organising your dream Island Escape.

Marilyn, Margie & Angie

## Climate

Fiji enjoys a tropical climate and therefore daytime temperatures vary between averages of 31 degrees Celsius in summer (Dec-Feb) and 28 degrees Celsius in winter (Jun-Aug) making it the ideal destination to escape our cold winters. Rain and humidity are traditionally more frequent summer to mid autumn (Dec-Mar) and if you feel the heat, we recommend you choose a resort that has air conditioning if travelling during this period, as not all do. Cooling evening trade winds are more prevalent during late autumn to spring (May-Oct) and we recommend you pack light cardigans or long sleeve shirts if travelling during these months.

## Currency

The Fijian dollar is the base unit of currency. ATM machines are available in most major town centres. Major credit cards are welcome in all resorts. Currency exchange is available in most resorts, at Nadi airport and in banks in town centres.

## Tipping

Tipping is not encouraged in Fiji, however most resorts have a staff fund should you wish to make a contribution to show your gratitude.

## Electricity

The electrical current in Fiji is 240 volts AC 50z. Fiji has three pin power outlets identical to Australia, and therefore Australian appliances work in Fiji without requiring an adaptor.

## Passports & Visas

Passports must be valid at least 6 months beyond your anticipated return date, and you must possess an onward ticket. A visa is not required for tourist entry into Fiji if you are travelling on an Australian or New Zealand passport. Please check visa requirements for all other nationalities

## Check in & check out times

Check in at most resorts is between 2pm - 3pm and check out is generally between 10am-12pm. If you require your room prior to check in an additional night will need to be purchased. Late check out is sometimes available at a discounted rate.

## Etiquette

When visiting villages or shopping in town, please ensure that you cover up swimwear with a sulu (sarong), sundress or shorts and t/shirt to show respect to Fijian locals. If you are attending a Kava ceremony, please ensure that you wear a sulu and that your shoulders are covered.

## Language

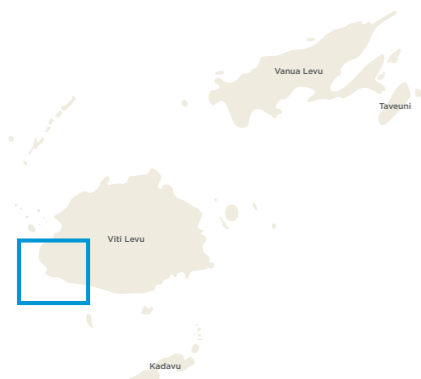

English is widely spoken throughout Fiji.

# THE ISLANDS

## Castaway Island, Fiji

Price range: \$300-\$350 pp/pn

**Castaway Island is everything you dream your island resort will be. Long stretches of soft white sand beaches fringe a turquoise lagoon abundant with colourful fish and vibrant coral reefs. Freestanding thatched bures are nestled among richly coloured tropical gardens laden with palm trees, hibiscus and the sweet aroma of blooming frangipani. Fresh seasonal produce from both local and international suppliers are bought to your table, bursting with flavour. And you are greeted with a heart felt BULA from your waiter to the gardeners, and everyone in between.**

This exceptionally well maintained private island resort is one of the most popular in the country, and it is easy to see why. Operated by Outrigger Resorts from April 2014 and located on 174 acres, it is the perfect choice for romantic couples with or without children. The air conditioned bures all feature traditional vaulted tapa lined ceilings, garden or ocean facing patios and a spacious, elegant design. Guest activities abound including snorkelling off the beach, PADI Five Star Gold Palm diving, surfing trips, catamarans, kayaks, windsurfers, parasailing, hand line fishing, speedboat dolphin safaris, champagne island hops and more. Or of course you can just while away the afternoon lying beside the one of the two swimming pools - one designated as a quiet area with Jacuzzi and swim up bar.

Family is a cherished concept on Castaway. Children are tended to by caring staff at its legendary Kids Club which is open daily from 9am - 10pm.
